

Community & Cancer Science Network

Collaborative Work Group - Community Member Application

Question #1

Interested individuals should make note of the following timelines and confirm their availability to engage in the CWG process:

- Applications will be accepted on a rolling basis until the positions are filled. The goal is to have membership confirmed by late July 2022.
- Upon submission of your application, a team member may reach out to request additional information.
- Members will be required to attend an orientation session prior to beginning work.
- The term of service is one-year and will end on June 30, 2023 with a possibility for an extension.

Select one of the following options:

- I am interested in participating as a COMMUNITY MEMBER and would like to submit an application (this option allows you to complete the application form)
- I am interested in participating as an ACADEMICIAN/FACULTY MEMBER and would like to submit an application (this option allows you to complete the application form)
- I would like more information before I submit anything (this option will NOT allow you to complete the form but will allow you to submit a question or request a call/email from the program)

Question #2

With which organization are you interested in collaborating?

- Great Lakes Intertribal Council (GLITC)
- Wisconsin Women's Health Foundation (WWHF)
- YWCA Southeast Wisconsin (YWCA)
- I'm not sure

Questions #3-6

Full Name _____

Preferred Name _____

Title _____

Email Address _____

Location (primary residence) _____

Community & Cancer Science Network

Question #7

In which county(ies) do you have either personal and/or professional experience?

Select all that apply:

(Menominee/Shawano, Milwaukee, Oneida, Racine, Sawyer, Vilas, Walworth, None)

Question #8

The CWG intends to engage a diverse set of individuals representing knowledge and experience from a variety of perspectives. Please tell us about yourself, your life, and personal or professional work related to cancer. Your response may include, but is not limited to, any information you feel is important to share such as a brief biography, lived experience, current and previous work experience, education, and expertise relevant to cancer, community engagement, and coalition building, and/or the focus of the initiative.

What does health equity mean to you? How have you included/incorporated this into your work or personal life? (please limit response to approximately 500 words) _____
